Subject: Question about the Yerington Mine Site Pit Lake

.....
>>>>>>>>>>>>
Travis

A few tribal members have mentioned that more water than usual seems to be coming into the pit lake at the mine and I was asked to follow up. I was wondering if there is access to the water level data/recent downloads that may provide some insight.

Thanks,

Dietrick

(consultant for the Yerington Paiute Tribe)

Subject: March 2017 Monthly Report for the Yerington Mine Site

Dave:

The March 2017 monthly report for the Yerington Mine Site is attached, along with the monthly Arimetco Fluid Management System (FMS) monitoring data.

The original will be sent to you tomorrow by certified mail. Hard copies will be sent via regular mail to the Lyon County Library, Chairwoman Thom, Ginny Hatch, Dietrick McGinnis, Cynthia Oceguela and Peggy Pauly.

This e-mail serves as the submittal for the remainder of the copied recipients.

Please forward this e-mail to others who may be interested in the February 2017 monthly report.

Regards,
